**ADMINISTRATIVE LAW JUDGE'S RULING
GRANTING REQUESTS TO BE
ADDED AS NEW APPEARANCES TO SERVICE LIST**

By this ruling, various requests are granted to add new appearances as parties in this proceeding relating to the issue of cost responsibility for direct access and departing load customers. Because these requests were made under the Rate Stabilization Dockets, this ruling is being captioned under those dockets. Effective April 22, 2002, however, the issues relating to the issue of cost responsibility for direct access and departing load customers have been

transferred from the Rate Stabilization Dockets (A.00-11-038 et al.) to the Direct Access Rulemaking (R.02-01-011). Accordingly, this ruling is also captioned under the R.02-01-011 docket. Likewise, although the requests were to seeking be added to the service list in the Rate Stabilization Dockets, it was with the understanding that the aforementioned issues would be addressed in that docket. Since those issues have now been transferred to R.02-01-011, the requests to be added to the service list shall be granted by adding the parties to the R.02-01-011 service list. The following new appearances are hereby added as parties to the service list. Parties shall update their records to add these new parties for service of documents in this proceeding.
